AVA BOOK INTEGRATION WITH MICROSOFT TEAMS EVERYTHING IN ONE SAFE PLACE

Easily book your business trips and share your travel details with your colleagues in a few clicks!

Book your tickets easily

AVA Book Easy allows you, from your Microsoft Teams environment, to easily make all your bookings for flights, hotels, trains or car rentals. Switching between multiple applications is no longer necessary. You simply have your familiar AVA Book environment in Microsoft Teams. Also, you only need to log in via Microsoft 365 (single sign-on). Nice and easy and secure!

Collaboration and data sharing

Within a few clicks, you can share your booking details with your colleagues. This allows him/her to book the same flight or hotel immediately. This makes working together a lot more fun and efficient!

Quick installation

AVA Book Easy is easy to install from the Microsoft Office 365 Admin environment. No time-consuming and complex integrations!
